## Charlie Romo

**February 16, 2018** (FRIDAY) **2:00 & 7:00 PM**

This babyfaced, no-nonsense performing sensation is a natural entertainer. You will fall instantly in love with his charm and endearing personality. Without imitation, he has a way of turning back the clock by channeling the soul and sound of cherished singing legends such as Bobby Darin, Frank Sinatra, Tony Bennett, Elvis Presley, Dean Martin and Bing Crosby. He's got the sound of the best and the polished confidence of a seasoned entertainer well beyond his years. A rare phenomenon!

## Doo Wop Project

**March 9, 2018** (FRIDAY) **2:00 & 7:00 PM**

From Bebop to Pop, this is street corner singing for a whole new generation. Enjoy a performance of pure energy and magic, tracing the evolution of Doo Wop from classic harmonies made famous by Dion and the Belmonts (*I Wonder Why*) and Thurston Harris (*Little Bitty Pretty One*) through their influence on the sounds of Smokey Robinson and the Temptations, to contemporary works from Michael Jackson (*The Way You Make Me Feel*) and Amy Winehouse (*Valerie*). The level of talent, artistry, authenticity of sound and vocal excellence is "off the charts!"

## The Britins

**March 23, 2018** (FRIDAY) **2:00 & 7:00 PM**

On February 9, 1964, America was introduced to a phenomenon from Liverpool that ultimately changed rock and roll forever. From their first hit (*Love Me Do*), "the Fab Four" led the British Invasion with increasingly innovative recordings as Beatlemania spread around the world. This tribute to the Beatles recreates the iconic era that influenced generations of music lovers, artists, and dreamers. The band's sheer joy in performing the greatest music of our time elevates the show to new heights. Their musical talent, energy, and dedication to authenticity (using genuine Beatles gear) is second to none.

**We look forward to seeing you again this season.**

*Our thanks go out to you in advance for your generous support of the Concert Series.*
